

ICDEA  
2019

# 25th International Conference on Difference Equations and Applications

## University College London 24-28 June 2019

---

ICDEA 2019 will be held at UCL in central London. This annual event is the official conference of the International Society for Difference Equations and applications.

The 5-day meeting covers difference equations and all aspects of discrete dynamical systems and combines 8 plenary talks, parallel sessions for research talks and poster sessions.

Online registration and further information are available at

website: [www.ucl.ac.uk/icdea-2019](http://www.ucl.ac.uk/icdea-2019)

---

### Plenary speakers

Paul Glendinning  
Mats Gyllenberg  
Mihaly Pituk  
Adina Luminita Sasu  
Ewa Schmeidel  
Andrey Shilnikov  
Horst Thieme  
Patricia Wong

Early registration and abstract submission deadline May 5 2019
